

# Turn Your Town Square into a destination!

We turned Macomb's Courthouse Square into an interactive game board.

Hundreds attended the grand opening; thousands have played the game, strolling the town square

# What is **eATLAS?**

• The mobile adventure app, offering guided tours, scavenger hunts, date nights, and family-friendly edu-tainment.

• Gamified tourism that connects city explorers with local businesses

### Innovation

Immersive, interactive, multimedia adventures help players experience your town in-person in a new and exciting way.

### Strategies

Partnerships with local businesses enhance the experience, creating a "Win" for everyone.

# **e**ATLAS **Prepare to Whoa!**

## Creating Experiences That Whoa

# PLAY YourTown

 Players roll the dice and walk around the spaces, checking out business, landmarks, and local art.

### Key Features

• Local Business Engagement • Social Media Integration • Interactive Map • Leaderboard Tracking • Educational Content
